DEEP FORGIVENESS

For the week starting on August 26

Getting clear with God and others

Do this exercise this week ...

Own up to it!

Write down an area in your life where you are really seeking God's forgiveness and freedom. (Not the surface thing but the deep thing.)

Let go of it!

Write down the things that would stop you from really coming clean and getting free. (not ready to give it up, fear of losing something or someone important, etc...)

Rebuild any lost trust!

Write down what you believe God wants you to do rebuild any broken trust between you and another person. (truly confess, an act of kindness, accountability, etc)

Pray through each one & take action.
