MY KING

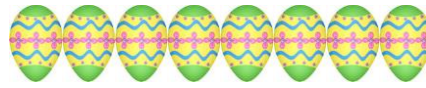

Making Jesus the Lord of my life!

Our sermon series called, "My King" continues through Easter Sunday. John 15:4 says, "... No branch can bear fruit by itself; it must remain in the vine". We can try to make things better on our own. We can try to improve our relationships with God and others in our own wisdom and strength. But that verse says that it is impossible for any branch to be fruitful apart from abiding in Christ. Jesus makes us unselfish and sacrificial from the inside out. He reshapes our spiritual DNA to create an individual that can sustain growth and relational health even in the most difficult of times. Abiding includes complete submission to His mastery and His kingship over our decisions, emotions, behavior, and attitudes. When He calls the shots, our relationships are better. When He is "MY KING" I find myself in a better place of peace and purpose in life. These are essential days as we learn together how His lordship over us makes us a better church. God really uses people who are filled and energized by His presence. I encourage you to come and be a part of the awesome things God is doing in our congregation in this season. Life is better with King Jesus working in and through us. Invite someone to join you this coming Easter Sunday – April 21.
