Mighty WARRIORS – helping to change lives

God used Gideon to help bring change into the lives of others. In fact, God used Gideon to have a kingdom impact on the nation of Israel. The thing is, God had to first change and inspire Gideon before His power and purpose could flow through him. As the story of Gideon opens in the book of Judges, we discover that he had come to settle for routine and status quo and was hiding out. God called him a mighty warrior and used him to deal with the oppression of the Midianites. As God changed Gideon, He used him to change others. God does the same thing in our lives. He takes us right where we are and changes us and uses us to have a kingdom impact on the lives of those in our circle of influence.

Starting June 3, we begin a new sermon series called, **Mighty Warriors**. We will look at how God changes us to help change others. This will no doubt be a time of inspiration and challenge as we apply the truths Gideon learned to our own lives. Come and be a part of this ministry as together we learn to be *Mighty Warriors* for God. Take some time to read and pray through Judges 6-8 to get your heart and mind into the story and into what God wants to do in our lives.
