An OUTWARD Focused Life

Valley View Church is all about being outward focused! It's all about seeing others the way Jesus sees them and then acting the way He would act. Outward focus is an inspirational and exciting way to live. It's about asking questions like how is my behavior and my attitude going to affect them? What can I do to bless their life? And, Lord, how do you want me to invest in their life today? When these kinds of commitments are our knee jerk reactions the kingdom of God is advanced in and through our lives. I believe that people would really want to be a part of a church that is genuinely bent in that direction. Starting September 15 we will launch a fall series and campaign that will help us live outward focused lives and truly be an outward focused church. At the end of this series we will give everyone an opportunity to serve God through Valley View church. I invite you to pray for this emphasis and come and be a part of it!
